

## Hard Rock Hotel & Casino Punta Cana

Tired of the small time? Head to the new Hard Rock Hotel in Punta Cana, recently named a 2013 AAA Four Diamond hotel. As the first all inclusive Hard Rock Hotel in the world, this resort does everything big, offering 13 restaurants and snack bars, seven bars and 15 pools! From the kids' water slides to the Vegas-style casino, this is a monument to glitz, glamour and rock 'n' roll royalty.

Located on Macao Beach, the resort's palm tree and palapa-dotted shore sets the stage for living out your own music video. Fifteen pools are your playground: a lazy river and family pool with twisting water slides for the kids, Sax pool for quiet downtime and the adult-only Eden for topless sunning. Don't worry about getting too hungry: from filet mignon at Toro to a hibachi-style show at Zen, there's enough to try something new for every meal! After dinner, seven bars keep the afterparty going, especially at the cool nightclub, Oro.

Need to burn off calories? Grab the shades, drop the kids at the Little Big Club, and head for Body Rock, the state-of-the-art fitness center. Too earth-bound? Reach for greater heights on the climbing wall, or just skip the exercise altogether and crack open the piggy bank because the 45,000-sq-ft, Vegas-style casino offers slots and table gaming. When you've had your fun, Rock Spa gets you ready for your close-up: relax in the hydrotherapy center, work out tension with a Shiatsu massage in any of the 35 private spa suites and end with a bracing, pore-closing experience in the ice room.

After you've partied and been pampered like a rock star, the Hard Rock Hotel Punta Cana helps you sleep like one, too. Even the poshest tour bus can't compete with the stylish, spacious suites that feature a Jacuzzi for two, 24-hour room service and a flashy liquor dispenser. We recommend the Caribbean Suite with two double beds for the family, but couples or singles won't go wrong with the Hard Rock Concierge Level Suite's killer views and upgraded amenities.
