

Hard Rock Hotel Cancun: Have Fun at the Party Central, Kid-Friendly and All-Inclusive Resort

Going on vacation is all about letting loose and having fun, so pack up and head for party central at Hard Rock Hotel Cancun (formerly Cancun Palace), a resort located in Cancun's popular hotel zone. Great design is integral to the 12-story complex (updated with a modern convention center and plans for exciting new presidential suites) that draws vacationers with its party atmosphere, fun nightlife and kid-friendly perks, like the waterslides in the kids' pool.

Beachfront property has never been as rewarding as the wide stretch of ivory sand outside the resort. Pick up a strawberry daiquiri from the Beach Bar and kick back on a lounge chair while the kids splash in the surf. The huge, free-form, infinity pool is a hotspot, where guests converge and make new friends with liquid aid from the two swim-up bars. Sit down to a meal with new friends at any of the five dining options. Kids light up while watching the teppanyaki show at Zen, and the fine cuts at Ipanema impress protein fanatics. Catch a dance show at the amphitheater before heading to the happening Lobby Bar for live music, top-shelf margaritas and fun activities.

The kids are bound to have fun at the supervised Kids Club. Arts and crafts, air hockey and foosball keep the little ones occupied while parents check out three nearby golf courses. Riviera Cancun Golf Club is a signature Jack Nicklaus, 18-hole course with vegetation, wetlands and challenging bunkers. The Little Big Club will keep kids entertained while hanging out with their favorite characters like Barney, Thomas the Tank Engine and Bob the Builder, so you can tee-off worry free!

We love Jacuzzis, and Hard Rock hotel Cancun is a resort that does, too! The Superior Deluxe Room with an ocean view and works great for families thanks to two double beds and a fantastic, double Jacuzzi for a nice, long soak with a scotch on the rocks, courtesy of the in-room liquor dispenser. Couples looking for the next-level of service spring for the Deluxe Diamond Room with a Golf/Spa package. Adults only, Deluxe Diamond Rooms offer 24-hour room service, delicious, nightly petit fours and private check-in/check-out for the full VIP treatment.
